A gratifying and assuaging rendezvous registered in the archives - Dr Ram Singh (Principal) with Her Excellency, Hon'ble President of India Smt Droupadi Murmu ji at her Presidential Residence-Rashtrapati Bhawan, New Delhi on 29.09.23.

Principal's Messages

DR RAM SINGH
PRINCIPAL, DPS RANCHI

The inspirational and momentous meeting with Her Excellency at her Presidential Residence is archived in the chronicles of the school's reminiscence like lines in a leaf. It has left me with an ingrained feeling of rapture, contentment and pride. Ironically, the magnanimous stature and presence of the Hon'ble President of India instead of inspiring awe was exceedingly heartening and reassuring.

The Lady of sterling worth, astonished us by her prescient memory too, when after immediately recognising us as old acquaintances, she asserted how keen and enthusiastic she felt in meeting the visionary and dynamic educationists from the capital city of Jharkhand, Ranchi. She expressly spared her all-important time from her frenetic schedule calendar to revive the strong bond that she shares with education and her previous ager opus, the city of Ranchi.

As the symposium forged ahead, she indulged in reminiscing with nostalgia, her visits to Delhi Public School Ranchi during her regime as the Governor of Jharkhand. Her overt appreciation of the institution as a flagship in the field of education, more than overwhelming us, encumbered us by our responsibility towards all the stakeholders of the institution. She, subsequently, acknowledged it as a school that fosters motivated and academically curious global citizens, aspiring and transpiring to achieve exceptionally at all platforms. Since the appreciation was irrefutable, hence, we radiated immense contentment.

Enquiring about the strides made by the neoteric pioneer institute in the course of time, she emanated exhilaration. The intrinsic reverence and deep connection that I experienced cannot be expressed in any combination of 26 letters of the alphabet. The trusting rapport which her presence generates is profound and spontaneous.

Her assiduous memory astounded us again, when she made specific mention of a bright student whom she referred for admission in the school. Adding his extraordinary academic progress in the premier institute IIT Guwahati, she furthered by implying the academic excellence instilled in students by DPS Ranchi. Her Excellency leaves an impact with the connections she makes and the memories she creates and retains.

Meeting the Hon'ble President, Smt. Droupadi Murmu ji- a woman of great integrity and competence- will remain a treasured possession. Humble, tolerant, with great inner strength, resoluteness and magnanimity, she is and will remain an inspiration for the posterity to come.

P B Shelley was right when he said, "History is a cyclic poem written by time upon the memories of man." Sharing with you all the captured moments of time from the rendezvous with Her Excellency from the present and the former times....

Embracing the gift with magnanimity - Her Excellency accepting the souvenir with grace.

DOWN THE MEMORY LANE

*The Alchemist.....The Visionary Leader.....
The Teacher with the Midas Touch.....*

“When You arrive to a new place, it is no longer the place it was before Your arrival.”

DPS Ranchi had the proud prerogative to be a witness to the advent of Her Excellency, Smt. Droupadi Murmu. The reverberations of her sanguine and buoyant aura has affected the posterity of young trailblazers from the school. Irrefutably, it will echo till eternity.

The flabbergasting balance of wisdom, grace, elegance and humility of her persona inspires all to emulate. ‘A teacher is one who touches and transforms.’ Indeed she is a living embodiment of the dictum. Her iconic and venerated simplicity transpires the purity of her soul.

Her momentous visit, astute recommendations and wise counsel will be relished and cherished by the entire DPS Ranchi Fraternity forever. Further, we anticipate the prospects of her benign presence at the premises in the time to come.
