

Delhi Public School, Ranchi

...where imagination soars high and dreams become a reality

AKME 2015

Principal's message...✍

Learning takes many forms at DPS, Ranchi. Each student achieves his or her own potential in the classroom, the stage, gymnasium, art room and sports field.

Our excellent results at the CBSE AISSCE 2015 and SSE-2015 examinations are a testimony to the excellence of our learners and the teaching staff of a high caliber which strive to create a challenging environment.

DPS Ranchi is a 26 years school with a difference. We feel 'wise' on one hand when we look at the established identity we enjoy as an institution where learning is purposeful, progressive and empowering. On the other hand we feel the excitement of growing manifold each year as our students are reaching unprecedented heights. In AISSCE-2015 DPS Ranchi has come out with flying colours and our special achievement is 100% result of our pupils and 409 students secured more than 90%. Being a school, with multifarious activities there are several

opportunities and we encourage all our students to persevere, participate and take responsibility for their own development. We maintain a three way partnership in which parents are a tremendous support. Parents too are caretakers of the school's future generations. With each academic session we are growing in strength and achievements on all fronts.

The unstinted support and idealistic guidance of the members of the managing committee and the blessings of the chairman DPS Society, New Delhi has been extremely favourable for our growth and development in the field of education.

Over the years it has been observed that at DPS Ranchi our students are happy to come as each day is an adventure with something new and eventful to engage them.

We are thankful to everyone who assist us and our stake holders in our bid to provide quality education. For us, this journey itself is the destination

*"Reach high, for stars lie hidden in your soul.
Dream deep, for every dream precedes a goal".*
