...where imagination soars high and dreams become a reality

## AKME 2017

### Principal's Message...✍

**E**ducation is not merely requirement of facts but also of values which help us improve different facts of mankind. It ensures that we leave the world a far better place than we got. The pivotal role of education lies in shaping the personality of a child into a healthy mind and happy soul, who is not equipped with 21<sup>st</sup> Century skills and aptitude required for academic excellence but helping them face the challenges of life in a balanced and harmonious way. Therefore, the system of education should work

as a catalyst in making each child a balanced human being. Having his core strengths embedded in learning innovation from our rich socio-cultural roots.

In DPS Ranchi we enterprise to map academic excellence with a good human value system, which in myriad ways is ingrained in the culture of the school. To achieve this, we strongly feel that a paradigm shift in the minds of all stake holders should take place so that when school becomes the hub to initiate the formative education, it has its tenets enshrined in a good value system; the extension which is thereby taken home where it is further strengthened. And our commitment to such education will always persist in all our endeavours.

In this pursuit of excellence, I appreciate our parent fraternity for supporting the school in every aspect. I also laud the relentless efforts of our teachers for giving their best in bringing out the crem-de-la-creme in each child. But I would exhort the students to be always modest, humble and disciplined, while being ready to expand the horizons of their knowledge and skills by dreaming big and working hard.

Dr. Ram Singh

# EDUCATION @ RANCHI

"The true success in life begins only when you make the commitment to become excellent at what you do".

## Principal's Message

It gives me immense pleasure to congratulate the Dipsites from DPS Ranchi who have proved their mettle by their sheer strength, determination, and hard work and achieved yet another milestone. Our students have been the trend setters and attained remarkable positions in AISCSE 2017, JEE Advanced 2017, KVPY, NTSE & INMO 2017. I express my elation and heart's content at the marvelous feat of students in Class X and Class XII results. DPS Ranchi has always been setting high standards for itself to follow and its students perform remarkably well in all their endeavours. I would like to appreciate the parents' sincerity for their unconditional and consistent support towards all the efforts made by school. I believe that the methodology of education should keep evolving to foster children's abilities and inculcate passion for learning. We are futuristic henceforth always look forward to provide such opportunities to students which give them a global view.

DPS Ranchi believes in bettering its own record and so has it done in this prestigious exam, both in the number of students qualifying for JEE Advanced and also in terms of the highest marks which has soared to 320 as compared to 282 last year.

## Delhi Public School Ranchi Crowns Glory

**Shubham Saha** and Jharkhand State after a brilliant performance in IMO and one month training camp of budding Mathematician, he is going to represent India in "58<sup>th</sup> International Mathematical Olympiad 2017" being held at Rio de Janeiro - Brazil (from 12<sup>th</sup> to 23<sup>rd</sup> July 2017). After a long span of 12 years, a student of Class XII session 2016-17 from DPS Ranchi is going to represent IMO-2017 at Brazil. Shubham Saha has been selected as the second performer in the team comprising of six participants who is going to represent India. Most talented young students around the world will assemble to solve the mathematical problems. Shubham Saha (qualified in JEE MAINS- 277 rank and at All India level 895 rank) a boy of iron-will is ready to face the challenges with immense courage; it seems to be really commendable. It's a historical opportunity to foster and disseminate mathematical and scientific knowledge throughout society. On interaction with Shubham Saha he said that he is very much grateful to his honorable Principal, who has given him ample opportunities to qualify in such tough competitions. He also expresses his gratitude to all the teachers who had been torch bearers and path finders.

## Dipsites top in Jharkhand in KVPY Finals

The students of Delhi Public School Ranchi have proved their mettle once again with 9 students emerging as KVPY (Kishore Vaigyanik Protsahan Yojana) scholars which are the highest number in Jharkhand. Shaan-ul-Haque (XII), Saakshi Choudhary (XII), Aman Raj (XII), Saurabh Suman (XII), Tiyaisha Mitra (XII), Nishant Singh Chouhan (XII) and Anvesh Gupta (XII) are the students who have made the school proud with their brilliant performance in KVPY final round. The interview for this phase was held on 29<sup>th</sup> January 2017.

The Kishore Vaigyanik Protsahan Yojana (KVPY) is an on-going National Program of Fellowship in Basic Sciences, initiated and funded by the Department of Science and Technology, Government of India, in order to attract exceptionally brilliant students for pursuing courses in Basic Sciences and research drive programmes. The objective of this programme is to identify students with talent and aptitude for research, help them realize their academic potential; encourage them to take up research careers in Science, and ensure the growth of the best scientific minds for research and development in the country. Each academic session continues to provide an excellence-driven world class and holistic education provided by our foundation. We have thoroughly worked upon this respect for tradition, together with a progressive attitude towards the future academic rigour with a caring heart and an appreciation of the individual with the warmth of a cohesive school community.

## DPS Ranchi Outshines other schools of Ranchi in NTSE

9 Children of Delhi Public School Ranchi have qualified in NTSE. They are Saumyo Bhattacharya, Ankit Kumar Jain, Rayyan Shahid, Utkarsh Anand, Abhigyan Adarsh, Shubham Kumar Singh, Ishika Tigga, and Kumar Divyansh. They are all from Class X. It is a matter of immense pride and glory that the maximum number of children who qualified in NTSE from Ranchi are from DPS Ranchi. The children have come out with flying colours and produced the highest number in the city. The continuous efforts to reinforce the commitment to achieve help students discover and reach their personal goals in life. This is evident in the school's consistent show of excellent academic results. The school's multicultural and inclusive learning environment enables every student to carve a niche for himself and become a responsible global citizen.

## Students of DPS Ranchi in Czech Republic to participate in World School Debate

The students of Delhi Public School Ranchi were in Prague (Czech Republic) to participate in World School Debate. The seven students of Class XI had gone there to represent their school were Rounak Prakash, Gurmeet Kaur, Rishav Jalan, Aditya Bose, Yash Saraf, Shruti Bora and Suhani. This was a world wide event for the students of plus 2 level in which 46 teams from all over the world had participated. In the first round, Team-A comprising Gurmeet Kaur, Rounak Prakash and Rishav Jalan defeated a sensational team from Georgia in a prepared round whose topic of argument was that "The western democracies failed to support the Democratic change in Syria by a timely military intervention" and in an impromptu round defeated Hungary. The team from DPS Ranchi spoke for the motion. At the very same time, in another round, Team B comprising Aditya Bose, Yash Saraf, Shruti Bora and Suhani engaged in a marvellous victory over teams from Greece as well as from Turkey in both the impromptu rounds whose topic of discussion was that "The house wishes to ban fortune telling" and "The house believes that the business should be able to deny to impart service to a customer if the request conflicts with the owners religious beliefs." The logic put forth by the students were highly appreciated by the members of the jury. Further team A defeated UAE in the 6<sup>th</sup> round and at the same time team B defeated Italy.
