DELHI PUBLIC SCHOOL, RANCHI

...where imagination soars high and dreams become a reality

PRINCIPAL'S MESSAGE

"We cannot always build the future for our youth, but we can build our youth for the future. The reward of evenly good action will be good only."

The kind of education we impart to a child at DPS Ranchi lays the foundation of life and shapes their destiny. That explains all our concerns and anxieties of education. It is with a strong commitment to the quest for excellence in the

field of education, our students are making rapid progress and acquiring quality education laced with morality.

We are delighted that academic excellence of our learners is adding a new leaf to the grandeur of the school. Strategic planning and pragmatic approach has helped us successfully implement a system which caters for the social, moral, physical and emotional development of our children.

The vision, support and guidance of the honourable Chairman DPS Society Shri V K Shunglu and the members of the school Managing Committee continue to be a great source of inspiration in all our endeavours.

The strong collaboration between the teachers, parents and students creates a harmonious and efficient environment and helps us to be pace setters in all our ventures. For we believe that the most splendid achievement of all is the constant striving to surpass ourselves and to be worthy of our own approval.

Dr.Ram Singh

It was my mother who was my best friend when I was growing up. When I was selected to study engineering at ISM Dhanbad my mother took it upon herself to persuade my dad to let me go all the difference in my life while growing up. I thank the organizers for this wonderful event to commemorate the dedication and the sacrifice made for us by our mothers.

God cannot be present everywhere and hence, he created mothers. All great leaders have their mothers behind their success since times eternal. A mother and her teachings leave a permanent impression on the child. Even Shivaji was inspired by his mother Jijabai to fight wars. Without our mothers, we would be nowhere.
