

# DELHI PUBLIC SCHOOL RANCHI

## AKMIE 2019

### PRINCIPAL'S MESSAGE

*"Education does not change the world.*

*Education changes people, People change the world."*

It gives me great pleasure to proclaim that Delhi Public School Ranchi has been working with a vision for excellence in education and kept pace with ceaseless and kaleidoscopic changes in the world, preparing students in tandem with the global knowledge-based society. Here each student's individuality is respected and each student is taught to compete against himself or herself rather than against others. We believe, learning by capturing a set of experience enables one to explore new realm of wisdom as life is not a set of instructions but a series of experiences.

All efforts are made to maintain the quality of education and growth of pupils. As a result the children who took their Board Examination (AISSEE & AISSE-2019) exhibited remarkable result like every year. Children of this institute have not only shown their brilliance in the field of academics but also displayed their mettle in various other fields.

It has been our earnest intent to build a strong educational experience for each child through committed teamwork in a stimulating and friendly environment where children feel secure and grow to their full potential. The school is concerned with developing the individual talent and intelligence of each child.

For us the school is not just brick, cement and steel but it has soul also. It is about character building and enriching the mind as well as enriching the vision of the pupil that lasts a life time.

*"No one ever fails for lack of ability. The only reason is lack of preparation."*

The visionary guidance and support of the honourable Chairman of the DPS Society Shri V.K. Shunglu and the members of the School Managing Committee has continuously enabled us to soar higher and higher with each passing year. We hope to continue our relentless effort in order to keep the institutes banner flying high. Even though we are very proud of our students achievement, we are aware that there is always room for improvement and correction of former oversights to celebrate excellence and honour commitment to perseverance.

A sincere welcome to the session 2019-2020.

Regards

  
Dr. Ram Singh
