PRINCIPAL'S MESSAGE

"Being challenged in life is inevitable, being defeated is optional."

Tough times call for a tough persona . In this hour of crisis as the world grapples with corona virus pandemic, there looms a huge cloud of uncertainty and darkness. As educators we need to reflect on the circumstances and understand what can be done differently to tide over this crisis.

In such a scenario we have stood strong and never broken the trust of our team, students and cherished contributors . It is rightly said battles are not won alone, but they also don't end until the last man is standing. Even when the going got tough we did not shy away and saw opportunity in difficulty. The virtual platform was used to impart education without a break. The responsibility of shaping young, impressionable minds and empowering our students to grow as individuals with strong open discerning judgement capacity goes on persistently.

As the school is growing in number of students as well as members of the faculty, all efforts are made to maintain the quality of education. Children of this institute have not only shown brilliance in the field of academics but also displayed their brilliance in various fields. Like every year, results and achievements of our students have always been a reason for pride and celebration.

It has been our earnest intent to build a strong educational experience for each child through committed teamwork thereby ensuring that learners grow to their full potential.

A committed and supportive management, dedicated teachers, caring and co-operative parents blend harmoniously to create a child-centric school. I am sure through collaborative effort we can kindle thoughts and enable the future leaders to dream big . "Inside all of us is a hidden dream." Constantly we endeavor to compete with ourselves and "To motivate the weak, to address the average and challenge the gifted under any circumstances." We hope to keep the banner of Delhi Public School SAIL Township flying high with the grace of Almighty and valuable support of stakeholders. With sincere and warm regards

Dr. Ram Singh
