SAIL TOWNSHIP, RANCHI

A commemorative of gratitude being presented to the Beacon of Light

AKME RANCHI

A Visionary, a Luminary - the One whose magical sceptre has touched and transformed thousands. The hon'ble Chairman of the DPSS, Padam Bhushan Sri V K Shunglu being proffered a bouquet of flowers by the respected Principal.

"The leader is best when people barely know he exists, when his work is done, his aim fulfilled, they will say, 'we did it ourselves.'"

The hallmark of DPS Ranchi is the adaptability to change in terms of our role in laying the foundation of our state by providing quality education to its youth. We keep stretching our limits to enable our students learn new things because we know that leadership is nothing but the afterthought of educational change brought about at the right time.

DPS Ranchi with its inclusive, flexible, and learner-centric pedagogical strategy aims at turning challenges into opportunities. Our integrated education approach on skill development, multi-disciplinary learning, and creative critical thinking is designed with the help of technology and digital resources in such a way that it enables students to get the global experience of learning inside the four walls of the campus itself.

This is no exaggeration when they say that DPS Ranchi's archive glitters with accomplishments and accolades. Following the precedence, this year too was hailed by exemplary results in AISSE (class X), AISSCE (class XII), JEE mains, JEE advanced, NEET, CLAT, KVPY, IOQ, Arya Bhatta Ganit Challenge and other coveted exams of the nation.

The school is sincerely indebted to the sempiternal superintendence of hon'ble Chairman of the DPSS Sri V K Shunglu and the School Managing Committee as the school's academic and competitive chef-d'oeuvre is accredited to them equally. DPS Ranchi strives for ameliorating accomplishments and polishing performances. With firm conviction to soar and score high with each passing year I wish all stakeholders of school the very Best of Luck!
