As we move forward, let's celebrate achievements not as isolated victories but as interconnected milestones. Let's chase excellence not for accolades but for the joy of growth. And let's collaborate not out of necessity but because we believe in synergy.

As we gather the threads of another academic year, I am thrilled to share our collective journey—a tapestry woven with achievements, resilience, and unwavering commitment. We, at DPS Mathura Road, don't merely educate; we elevate.

Our commitment to excellence remains unwavering, and our vision extends far beyond textbooks and classrooms. At DPS Mathura Road, we believe in shaping not just students but versatile individuals who contribute meaningfully to society.

Our curriculum emphasises critical thinking, problem-solving, creativity, and adaptability—the very skills that prepare our students for a dynamic world.

In an interconnected world, being a global citizen is essential. Our students learn to appreciate diverse cultures, respect differing viewpoints, and actively engage in global issues.

Through collaborative projects, cultural exchanges, and awareness campaigns, we nurture empathy and a sense of responsibility toward our planet and its inhabitants.

Alone, we achieve; together, we transform. Collaboration is the heartbeat of our community.

In the coming months, let us continue to inspire curiosity, ignite passions, and create compassionate citizens. Together, we build not just a school but a vibrant community—one that thrives on excellence, integrity, and kindness.

We extend our heartfelt gratitude to the honourable Chairman of The DPSS, Shri B.K. Chaturvedi, Vice Chairman of The DPSS Shri. V.K Shunglu, Ms. Vrinda Sarup, Chairperson DPS Mathura Road. and the Members of the School Managing Committee for their constant motivation and encouragement. Their unwavering support propels us toward the seemingly impossible.

Wishing you all a fulfilling and transformative year ahead!

Best Wishes

Principal
